

Savannah Chamber of Commerce Needs You

The Savannah Chamber of Commerce has been an active force in promoting the Town of Savannah and its businesses and its resources. For the year of 2009 we are in need of people who would like to become directors in the Chamber. The Chamber meets ten times a year and most meetings are on the fourth Monday evening at 7:00 PM at the Town Hall. If you are interested, please call John Spellman at 365-3156.

As the Chamber prepares for its annual Award Meeting on Sunday, February 22, 2009, we are also asking for your input. Every year we give out the Citizen of the Year, Business of the Year and Young Professional Award. We would like to receive some names of Savannah residents who might qualify for these special recognitions. Criteria follows:

Citizen of the Year: A person who has been active in the community, always readily available to help.

Business of the Year: A business or organization within the township of the Savannah that has contributed to the well-being of the community.

Youth Award: Any young person (not older than 25 years of age) who has been an active member of the community.

Give your suggestions to John Spellman at 365-3156.
